

# OH captain, MY captain

Captain Hook? Captain Rogers?  
Captain Caveman? Captain & Tenille?

Whatever your style, we're asking YOU to captain a table at **JustFundKY's A Night Out.**

**This outrageous, outlandish, outstanding evening is a funky, fun 'family' reunion for Kentucky's LGBT community and our allies at the Kentucky Horsepark Amphitheater on Saturday, September 12 from 6pm-11pm.**

We'll mix and mingle under the stars, dine alfresco, catch up with old friends, flirt with future exes, all while grooving the night away with local sound sensation **Superfecta**. Plus, don't miss the zany antics of Lexington's very own tricked-out marching band **March Madness**.

While you're navigating a rip-roaring good time for your table, *you'll also be helping JustFundKY build an endowment that will help further the important work of local LGBT organizations for years to come.*

# TWO IN A million

*So what does JustFundKY do?  
Where is my money going?  
What happened to the money you made last year?*

**Endowment building is a slow process.** JustFundKY is investing your money in the future. We're building a million dollar endowment, or 'just fund', whose income will provide grants to support the work of LGBT organizations throughout the state for years to come.

Before that can happen, we've got to scrape together a million bucks.

Thanks to the generosity of fairness advocate Cliff Todd, **every dollar you and your table donate is instantly doubled.** Mr. Todd will match contributions up to \$500,000. That means we only have to raise half a million to make a million. What a deal!

Thanks to your support, and in spite of a sketchy economy, we're almost half way to our goal. By joining us for A Night Out, you'll put JustFundKY even closer to our finish line. More than that, though, you'll be laying the groundwork for a Kentucky that offers fairness and justice to everybody at the table.

Reserve your table today for a very special 'family' reunion benefiting

**justfund<sup>KY</sup>**

# WE ARE 'family'

## **Folks in the LGBT community know the importance of the 'family you choose.'**

That's why JustFundKY decided to host A Night Out. Think of it as the family reunion you've always hoped for.

As table captains, we're asking you to assemble your clan, your tribe, your people, and put together a table that's out of this world!

Since this event is first and foremost a fundraiser, each table will be asked to chip into JustFundKY's endowment-building effort.

Tables can choose to contribute \$500, \$750, or \$1000, depending whether your group of ten leans more toward Rockefeller or Partridge Family.

How you divy up the dinner duties and cash is *entirely up to you.*

For those Kennedy table captains among us, you may choose to donate \$1000 AND cater a lavish clam bake for your friends. For those captains who'd like to keep to a Brady Bunch budget, you may ask everyone in your crew to chip in \$50 and bring a dish. If you're going for a Soprano family affair, get your guests to the table then make them an offer they can't refuse... The possibilities are endless!

# timing IS EVERYTHING

Preparing an outdoor dinner for ten can be a daunting task. That's why JustFundKY is working hard to make things as easy as possible.

Saturday afternoon, starting at 1pm, captains will have access to their tables for decorating and prep. VIP parking will be available to captains for loading and unloading, and volunteers will be standing by to help.

## **Guests may arrive anytime after 6pm.**

You'll want to remind your folks to allow for a little time between parking and arrival. Guests will be shuttled via the Big Blue Party Bus and vans from the parking lot to the amphitheater.

*The rain date for A Night Out is the next day--Sunday, September 13.*

There will be plenty of time for wining, dining, and socializing. Be ready to move and groove to the pop-funk-soul of Superfecta. The JustFundKY Board of Directors will give a brief update on the state of the endowment, and there will be a rowdy performance by March Madness.

**Your go-to contact for questions:  
First: Megan Dobner at 285-1182  
Next: Debra Hensley at 333-3431

# TURNING tables

We'd love to see someone pull off hydraulics! Prizes will be handed out to tables that make a statement. Remember, this is not your run-of-the-mill reunion. We expect the spectacular. Here are the categories we'll be evaluating:

## **"Bring on the Bling"**

A category for the Gabors among us. Trot out your best bling--Harry Winston or cubic zirconia--and make that table glitter!

## **"Green Scene"**

Try your hand at keeping up with the Gores and McCartneys. How low can you go with your table's carbon footprint?

## **"That's Entertainment"**

For the Busby Berkeleys and Cecil B. DeMilles in our ranks. Find whatever you can find from the backstages of Broadway and the prop warehouses of Hollywood to make your table a showstopper.

## **"Out and Proud"**

Break out the sequins, pull up the U-Hauls, and unfurl those rainbow flags. We're looking for the gayest table in all the land.

## **"OUT-side the Box"**

The Addams Family? The Jetsons? This theme is for artists, rebels, non-conformists, and visionaries.

## **"True BLUEgrass"**

Give the Whitneys and Maddens a run for their money. Outshine the Lincolns and the Clays. How bright does the sun shine on your Kentucky table?

## **"Best in Show"**

For the table that finally puts Martha Stewart in her place once and for all
